War. - Publicity and propaganda - Village Reading Circles and Panchayat Boards - 'Swatantra Bharata' - Supply.

In Government meme No.33677/42-1 dated 10-7-42 sanction was accorded for the continuance of the supply of 300 copies of the 'Swatantra Bharata' during 1942-43 for distribution to Tahsildars, Deputy Tahsildars, Revenue Inspectors, Reading circles and Panchayat Boards in this district. The period of supply of the paper will expire from 1-4-43. This is a daily and weekly paper giving the up to date war news in brief. It publishes all literature applied to it by Government. It is found from actual experience that the paper has propaganda value and a wide circulation the District. Its supply to the Tahsildars, Deputy Tahsildars, Revenue Inspectors Reading Circles, Panchayat Boards and the workers of the National War Front will help in propaganda work in furtherance of the activities of the National War Front. The cost of supply of 300 copies will come to about Rs.6,000/- per year. I request that sanction may be accorded to continue the supply of the paper for the year 1943-44 and necessary funds alloted for the purpose.

Government enquire in the above U.O.Note whether the supply of Swatantra Bharat to Reading Circles etc. in South Kanara should be continued for 1943-44 in view of the fact that a Kanarese version of Yuddha Sanchika is being published now. The Collector strongly recommends the continuance of the supply during 1943-44, on the ground that the Madras War Review being a weekly will not be a better substitute than the Swatantra Bharat. A copy of the Collector's letter dated 27-4-43 on the subject may be submitted to Government. Government may however be requested to sanction the supply for 1943-44 for National War Front Staff and reading circles only, as it is not considered necessary the Revenue staff be supplied.

Sub: National War Front - Funds - Supply of Swatantra Bharat - South Kanara District.

Ref: Your letter No.R.C.594/43-G dated 7-4-1943.

The number of copies of the "Swatantra Bharat" to be supplied to the Revenue Officials comes to 38 and the annual cost of supply is about Rs.800/-. In this connection I have to state that the "Swatantra Bharat" is a Kanarese paper with daily and weekly issues containing correct and up-to-date war news. In the Villages, the literate and intelligent people seem to be eager to follow the progress of war and since the tide has turned in favour of the United Nations in all theatres of war and final victory is bound to be theirs, Daily news about the war is cheering and heartening to the Village folk. In my opinion the daily and weekly issues of the Swatantra Bharat, a leading Kanarese paper of this district, supplies the above want and it will stimulate the masses to become more and more war-minded. The supply of the paper has been found from actual experience to be very useful in publicity and propaganda and sofar as this district is concerned, I think it will give a stimulus to war efforts, if the supply is continued as before.

As the Madras War Review is only a weekly journal, I am not sure whether it will be a better substitute for publicity and propaganda than the Swatantra Bharat as all measures undertaken by Government in war effort are being given wide publicity through propaganda by the National War Front Organisation, paid and honorary War Committee members and the officials. For the reasons aforesaid, the advisability of continuing the supply of Swantantra Bharat may be considered as stated in my letter Ref: No.102-43 dated 20/3/43.
